Subject: XI EORI Application - ALCO LLC
Date: 28 sentyabr 2022, çərsənbə 12:20:14

Dear Sir or Madam,

ALCO LLC

Application for XI EORI

Thank you for your application (TDVPHEVRKBJH)

I can confirm your XI EORI number is: **XI089771256000**

You have indicated you are not established in Northern Ireland and, therefore, there will be limitations on what you can use your XI EORI for. More information can be found at www.gov.uk/eori.

This will be ready to use within 1 to 2 working days from date of issue.

As well as for use in Northern Ireland, your new EORI number will be valid throughout the EU.

What you may need to do to

Your new EORI number starting with XI does not replace your EORI number starting with GB. You will still need your EORI number starting with GB and should keep both numbers safe.

If you use a freight/clearing agent or courier, please give them the relevant EORI number(s) to clear your goods.

Trader Support Service

If you trade with Northern Ireland, you can use the free-to-use Trader Support Service to guide you through new processes for moving goods into Northern Ireland under the Northern Ireland Protocol.

Through the Trader Support Service, you can:

- access education and advice to help you.
- receive support online and through a dedicated contact centre.
- submit declarations using your EORI numbers.

You can sign up now for free on www.gov.uk/tradersupportservice

PLEASE DO NOT REPLY DIRECTLY TO THIS EMAIL AS YOUR RESPONSE WILL NOT RECEIVE A REPLY.

Please refer to the advice given above on replying or our online contact form can be accessed via the EORI page at GOV.UK

OFFICIAL-SENSITIVE

The information in this e-mail and any attachments is confidential and may be subject to legal professional privilege. Unless you are the intended recipient or his/her representative you are not authorised to, and must not, read, copy, distribute, use or retain this message or any part of it. If you are not the intended recipient, please notify the sender immediately.

HM Revenue & Customs computer systems will be monitored and communications carried

on them recorded, to secure the effective operation of the system and for lawful purposes.
